REDOUTE’S FILLY IS DAY TWO CHOICE LOT

The highlight of the second day of the Arqana Breeding Sale was a filly foal by the popular Aga Khan sire Redoute’s Choice. Presented by Haras d’Omméel, Lot 222 was knocked down to John McCormack for €160,000. She is the fourth foal out of Zamid (Namid), who is from the Aga Khan family of the Champion Zarkava.

“She is for an existing client who plans to race her,” advised McCormack. “They already have horses in training in France and I hope she will be lucky for them. Redoute’s Choice has done great things in Australia and hopefully that will translate over here. She is from a good Aga Khan family so there is a real bedrock.” The foal’s dam went through the ring a few minutes later and was knocked down to Emerald Bloodstock for €35,000.

The dual Gr.1-winning Champion Three-Year-Old Filly Bright Sky (Wolfhound; Lot 264) was purchased by Gerard Larrieu for €150,000. Now aged 16, this mare won both the Gr.1 Prix de Diane and Gr.1 Prix de l’Opera, but has not had such an illustrious career as a broodmare to date. She has produced just two winners and was consigned in foal to Australia.

Larrieu said, “I bought her for Haras de Bourgeauville. She is in foal to a young stallion who has every chance of being successful. She was a great Champion and although she is a little older now, as we say in France, it is in the older pots that we make the best soup!”

Horse France went to €130,000 to see off BBA Ireland and acquire Lot 237, Underway (Giant’s Causeway). The placed three-year-old is out of Listed winner Alchemilla (Deputy Minister) and is from the excellent Courtly Dee family of Green Desert, Althea, Aldiza and Bayern, to name just a few. Robert Nataf commented, “She is for a client who wishes to remain anonymous. She will be covered in France and then probably exported.”

Anna Drion of Coulonces Consignment paid €115,000 for Lot 429, the Haras de Meautry-consigned four-year-old Hestia (High Chaparral), who was carrying her first foal to a late February covering by Le Havre. Buying on behalf of English breeder Chris Stedman, Drion explained afterwards, “I loved the pedigree – it is a beautiful family and she is in foal to a great stallion in Le Havre. It just made sense. She will probably stay in France but I am not sure of his plans for her yet.” This filly is a daughter of Perruche Grise (Mark Of Esteem), a half-sister to the Gr.2 Prix Guillaume d’Ornano winner Pinson (Halling).

Lot 468, Sureyya (Monsun), was also presented in foal to Le Havre and this multiple Listed-placed mare was sold for €90,000. Benoit Jeffroy, operating under the name of Castillon Bloodstock, had been underbidder on Lot 429, so this mare was some form of compensation. Consigned by Haras du Bois Roussel, the twelve-year-old has produced three winners to date and is a half-sister to Listed winner and Gr.3-placed Schwarzmeer (Kings Lake).

Multiple champion sire and a sire of sires in Australia

European-bred yearlings in 2015 sold for €875,000, €600,000, €455,000, €380,000 etc.
Jeffroy said, “Six young people in the industry have come together to form a partnership and buy some mares to be based at Haras de Castillon. The objective is to sell their progeny. We have bought at Goffs and Tattersalls, plus a few here, including another mare in foal to Le Havre and one in foal to Toronado. This is a very nice mare from a great family and Le Havre is a perfect stallion for her.”

Suzanne Roberts signed for Lot 260, Freedom Pass (Gulch) from the La Motteraye Consignment, with a final bid of €85,000. A half-sister to Gr.1 Prix Morny third Parliament Square (Acclamation), this mare was sold in foal to Showcasing. She has already produced a winner in Love Freedom (Sir Percy) and is out of a full-sister to Listed winner Irresistible (Cadeaux Genereux), dam of the Gr.1-placed Gr.3 winner Infallible and grandam of Gr.1 winner and young sire Garswood. “I have bought her for an established Irish stud farm. She will be mated in Ireland and you can expect to see her progeny at the major sales in the future as they are a commercial operation. She is a lovely mare and a great mover with a great cover,” commented Roberts.

Hubie de Burgh saw off underbidder Ghislain Bozo when he went to €82,000 for Lot 311, Eesha (Zamindar) from the Aga Khan Studs consignment. This three-year-old recently broke her maiden on her second start of the year at Toulouse. De Burgh said, “She will go to Australia. I have bought her for Scott Darby, manager of the syndicate Darby Racing. She is a lightly-raced filly and I was impressed by her win. She is the first purchase in Europe for this syndicate and I think she will be successful in Australia. The Aga Khan families are very popular over there and we are delighted to have bought her.”

CANZOGLYCAN is a Protein-Mineral-Complex and an entirely organic, Swiss quality product based on bone proteins, bone minerals and a cartilage extract. The product is formulated to avoid DOD’s (developmental orthopaedic disorders) such as OCD’s in fast growing bloodstock. It has proven its usefulness over more than 20 years, on three continents and in more than 17 international markets.
After an epic twelve-hour sales session, Olivier Delloye of Arqana commented, “It was a very long day but quite a good one. The figures are comparable to those of last year, which is positive. There was a slight increase of 3% in the clearance rate, but a drop of over 4% in the average price. It was interesting that the average price was high in the first part of the day but weakened as the session went on, so maybe we needed to get a second wind. The market was very international with many purchases for Australia, the UK, Ireland and Eastern Europe. It was encouraging to see young French buyers investing in some nice horses, which bodes well for the future.”

SALLY ANN GRASSICK

The Aga Khan sire Siyouni continued to prove his popularity with buyers when Lot 341, a February-foaled daughter of his, was knocked down to HSV Agency for €75,000. Haras d’Ommeeel consigned the two top-priced foals of this second session. This filly is out of Gribatune (Green Tune), a full-sister to the Gr.3 winner and Gr.1 runner-up Bernebeau. Thierry Dalla Longa commented, “We had to pay a lot for her but she is a very pretty filly by a successful sire. She will be sold as a yearling next year.” Progeny of Siyouni continued to sell well throughout the day, with Stamina Turf going to €65,000 for a colt (Lot 505) and Mags O’Toole paying €60,000 for another of his daughters (Lot 243).

APSI AND SOLSKAER TO STAND AT COOLAGOWN

Coolagown Stud has announced the arrival of two new sires for the 2016 season, Apsis (Barathea) and Solskjaer (Danehill), in deals brokered by French-based agent Richard Venn.

Apsis was a multiple Gr.3 winner over eight furlongs when trained by Andre Fabre and comes from the family of multiple Gr.1 winner Flintshire (Dansili). He has already struck at the highest level at stud on the Flat, with his son Les Beaufs winning the Gr.1 Prix Royal Oak, but has found his true calling as a National Hunt sire with some of his “Saturday Horses” including the Tom George-trained Roc D’Apsis, Bellenos, handled by Dan Skelton, and the highly thought of Anatol, whom Paul Nicholls described as “one to follow” in his stable tour. His only produce sold in Britain or Ireland this year, a brother to Rebel Fitz, went to Gary Moore at the Tattersalls Ireland Derby Sale for €50,000.

David Stack commented: “Apsis is a lovely horse and really takes the eye and, once I had seen a number of the yearlings and two-year-olds that are here in Ireland on some of the studs that specialise in store horses, I was sold on him. He stamps his stock so well; they are of a good size and great movers.” Apsis has still a large crop of foals, yearlings and two-year-olds in France to come to the track.

Solskjaer was a Gr.2 winner over ten furlongs and is a half-brother to Yeats (Sadler’s Wells). He has come from Summerhill Stud in South Africa, where he has stood since he retired from racing. He won the Gr.2 Royal Whip Stakes over ten furlongs at The Curragh in a record time for Aidan O’Brien and earned a Timeform rating of 120. He has produced multiple Group and Stakes performers in South Africa and ranks amongst the best stallions there by earnings per runner, as well as percentage of winners to runners.

Stack remarked: “Solly’ only arrived in Ireland three weeks ago but he looked great after his long journey and his months of quarantine. He is an exceptional walker, has a perfect set of forelegs and a lovely attitude. He should suit a wide spectrum of mares and will be an economical alternative to his three-parts-brother, the impressive Yeats.”

Apsis and Solskjaer will both stand for €2,500 in 2016. They join Carlotamix, who stands at €3,500 and is the sire of dual French Champion Hurdle winner Gemix; Gr.1 Irish Derby winner Frozen Fire, who commands a fee of €3,000, and Galileo’s Group-winning son Shantaram, who stands at €1,000 and whose first foals were well received at the sales this autumn. All Coolagown Stud stallions stand at live-foal fees, with concessions for filly foals.

SATANICJIM COLLECTS HIS FIRST STAKES SUCCESS

Making his first start for new owners, having been sold for €30,000 at last month’s Arqana Autumn Sale, six-year-old Satanicjim (Pivotal) collected his seventh victory, and first at Stakes level, in yesterday’s Prix Max Sicard at Toulouse. Already successful in very testing conditions and having raced at trips up to 3100m, the chesnut found the 2400m here well within his compass and beat the recent Lyon Parilly Listed scorer Garlingari (Linngari) by a length and a quarter. Last year’s winner Up Todate Du Casse (Tonitruant) was third, a further two and a half lengths away.

Still an entire, the Moorpark Stud and Cheveley Park Stud-bred Satanicjim is out of a half-sister to the triple Gr.1 winner Pride (Peintre Celebre) and Gr.3 winner Fate (Teofilo), as well as to the dam of the Gr.1 1,000 Guineas winner Speciosa.

ABU DHABI

FORJATT LANDS NATIONAL DAY CUP

The Listed National Day Cup, run over 1600m of the turf track at Abu Dhabi, was won by Forjatt (Iffraaj), who is trained by Dhruba Selvaratnam for Sheikh Ahmed Al Maktoup. The seven-year-old, third in the race two years ago, defeated the US-bred pair More...
Aspen (More Than Ready) and Ghamaer (Hard Spun) for the eighth victory in his 31-race career. His biggest win came in the Gr.3 (then) Jebel Ali Mile in January 2014 and he had hinted that he was in good form with a success in the prep race for yesterday's contest on 15th November.

He was bred by Michael Downey and Roalso Ltd and is a graduate of the Goffs November Foal Sale and Tagserrals October Yearling Sale. He is a half-brother to Amenable (Bertolini), who has won 14 of his 99 outings to date, and is the best of the four winners produced by Graceful Air (Danzero). A winning half-sister to the three-times Group-placed two-year-old Mystical Land (Xaar), the mare is from the family of the Gr.2 winner and sire Indian Rocket and Gr.3 winners Puff and Sovereign Debt.

IRELAND

PUNCHESTOWN VICTORY FOR IMPRESSIVE DJAKADAM

Willie Mullins saddled the first two home in yesterday's feature race, the Gr.1 John Durkan Memorial Punchestown Chase, his Djakadam (Saint Des Saints) coming home twelve lengths clear of April's Gr.1 course winner Valseur Lido (Anzillero) after making almost all of the running. The high-quality field also included April's Fairyhouse Gr.1 winner Gilgambooa (Westerner), who finished third in front of the triple Gr.1 winner Flemensfirth, with dual Gr.1 winner Clarcam (Califet) back in fifth.

Mullins said afterwards: “Valseur Lido will appreciate stepping up in trip and both of them will come on a lot from that run. I wasn’t happy with him [Djakadam] during the week and was nearly not going to run, but I’m absolutely delighted with him. There is no decision at the moment on where he will go next.”

This was the first Gr.1 success for the winner, who had finished a one and a half-length second in March's Gr.3 Cheltenham Gold Cup and a seven-length second in the Gr.1 Punchestown Gold Cup six weeks later. Bred by Richard Corveller, he had one start in his native France before changing hands privately and looked as if he would make a winning Irish debut at Thurles in January 2013, but he blundered and unshipped his rider at the last. Since then he had won five races and finished second three times in eleven runs prior to yesterday.

He is a half-brother to the winners Rainbowline and Arkaline (both by Martaline) and is out of a half-sister to the dual Group-winning chaser Sun Storm (Subotica) and the Listed-placed hurdler Ryna (Nikos).

Mullins saddled Pont Alexandre (Dai Jin) in the next race, the beginners’ chase, and the seven-year-old defied a 998-day absence in winning by an eased-down eight and a half lengths. The gelding, a Gr.1 novice hurdle winner at Navan, last ran when third in the 2013 Gr.1 Baring Bingham Novices’ Hurdle at Cheltenham and made virtually all yesterday, jumping like a stag.

Despite the impressive win, Mullins was still cautious, saying: “He was very good coming off that long lay-off and it’s all about keeping him right. He’s had his troubles and hopefully we can just keep him together. I don’t know if he will run at Christmas; it depends on how he comes out of this.

“He will go up in trip and not down. With the sort of ability he has, you would say at this stage he will be aimed at the RSA. I think he wants better ground and it would be no bother to him. The whole thing now is to keep him right and keep four legs on him.”

Pont Alexandre had won his first three starts over hurdles by an aggregate 29 lengths and is from a good Flat-bred family; his dam is a half-sister to the Gr.2-winning stayer Ponte Tresa and the Gr.1-winning sprinter Porlezza and her Gr.3-winning daughter Pontenuovo are listed under the third dam.

BRITAIN

AL FEROF LEFT IN THE CLEAR TO WIN PETERBOROUGH CHASE

The John Hales-owned grey Al Ferof (Dom Alco), having his first run for trainer Dan Skelton, ran out the easy winner of an eventful Gr.2 Peterborough Chase at Huntingdon. Last year’s winner Wishfull Thinking (Alflora) made the running, putting in some spectacular leaps over the fences, while the remaining four raced together some way adrift until Camping Ground (Goldneyev) blundered and unseated his rider at the twelfth. Al Ferof and the favourite Pitt Zigg (Great Pretender) headed the leader after the third last and the grey looked to already have the race in safe keeping when Pitt Zigg crashed out at the last, leaving Al Ferof to win by a distance.

This was the 11th victory in 24 starts for the winner, who had also been successful in the Gr.1 Supreme Novices’ Hurdle in 2011, the Gr.1 Henry VIII Novices’ Chase the following December and five other Graded races. Bred in France by J Rauch and G Chenu and a €13,000 graduate of what is now the Arqana December Sale as a foal, he is a half-brother to the Listed-placed hurdler Ardissone (Martaline). They are among the five foals out of Maralta (Altayans), who won over 3000m on the Flat and is a half-sister to three winners, including Loroco (Amen), who won nine races.

Al Ferof’s aforementioned nine-year-old Listed-placed half-sister Ardissone and unraced seven-year-old half-sister Intendante, both in foal to Kapgarde, are catalogued as Lot 912 and Lot 913 respectively at Arcana on Tuesday.

La Bague Au Roi (Doctor Dino), trained by Warren Greatrex for Mrs Julien Turner and Andrew Merrian, took her unbeaten record to three with an all-the-way success in the Listed mares’ bumper later on the card. April’s Irish point-to-point winner Mia’s Storm (September Storm) stayed on to finish second, five lengths adrift, with October’s Ludlow winner Alizee Javilex (Le Fou) back in third.

La Bague Au Roi had scored at Newton Abbot in April and made a winning seasonal reappearance at Aintree in late October. She is a half-sister to two daughters of Poliglote in the dual Listed-placed hurdler Franche Alliance and Reine Angevine, who earned a Gr.1 place when last of three finishers, beaten 72 lengths, in a Gr.1 novice hurdle at Navan in 2012. They are out of an unraced Turgeon half-sister to the Gr.3-winning chaser Plaisir Du Roy, while Graded winner Manhattan Castle and the Grand National runner-up Clan Royal are further back in the family.

GERMANY

PRINCE COMES GOOD AT BREMEN

The Listed chase at Bremen, the Grosser Preis von Karlsborst, was won by six-year-old Good Prince (Desert Prince), who scored by seven lengths from the outsider Six Stone Ned (Great Palm),
with Audientia (Samum) two lengths back in third and the favourite Falconette (Desert Prince) a well-beaten fourth.

Good Prince broke his maiden on the Flat on his 16th start and has since won four times over hurdles as well as over the larger obstacles here at Bremen last month. He is a half-brother to the Gr.3 Flat winner Good Donna (Doyen) and is the first foal of an unraced King’s Best half-sister to the Gr.3 Lillie Langtry Stakes winner Gravitation (Galileo). His grandam, Guaranda (Acatenango), is a Listed-placed half-sister to the multiple Gr.1 winner and sire Fame And Glory.

The mare had scored ten times in the past, mostly on the NAR dirt tracks, where her previous wins included last year’s Jpn-Gr.1 JBC Ladies Classic at Morioka and October’s Jpn-Gr.2 Ladies Prelude at Ohi.

Her sire Suzuka Mambo (Sunday Silence) won the 2005 Gr.1 Tenno Sho (Spring) over two miles and stands at Arrow Stud, from where he has also sired the 2013 triple Gr.1 victor Meisho Mambo and the Gr.1-placed Minaret. Sambista is the fourth of eight foals out of the 2002 Gr.3 Fairy Stakes winner White Carnival (Misil), who has produced three other winners and whose latest produce is a colt foal by Suzuka Mambo. The second dam, the Gr.2-placed Yellow Bloom (Park Regent), is the dam of ten winners from twelve named foals and is herself the best of the eight winners from 15 foals out of Grand Dream (Tosho Boy). The female line started in Japan with the unraced fourth dam, the 1970-foaled Erimo Lucy (Never Say Die), who produced nine foals between 1974 and 1992.
