RACING REVIEW

CRACKSMAN AT THE DOUBLE IN CHAMPION

Six years ago, the mighty Frankel signed off his racing career with victory in the Gr.1 Champion Stakes and yesterday Cracksman, his best son to date, emulated his sire in some style at Ascot, scoring a second consecutive victory in dominating fashion.

Immediately after the race, trainer John Gosden, who was completing a treble on the day at the meeting, stated that Cracksman had likely raced for the last time, indicating that a stud career likely beckons for his star colt next year.

Racing for the first time in blinkers, Anthony Oppenheimer’s homebred colt swept into contention around the home turn in yesterday’s 1m2f contest, after the early pace was set by Maverick Wave (Elusive Quality), and hit the front with two furlongs to run, accelerating clear in with ease to triumph by six lengths.

The winning distance may have been a length less than last year’s rout of Poet’s Word (Poet’s Voice), but the victory was recorded in just the same imperious style, with Crystal Ocean (Sea The Stars) finishing a respectful runner-up, and the Czech raider Subway Dancer (Shamardal) running a mighty race to finish third, three quarters of a length behind the runner-up. Subway Dancer, purchased for just €3,000 at Arqana by Chris Richner to race in the Czech Republic, ran a huge race, having been prominent in the home straight.

Cracksman has won three of his four starts this year, including the Gr.1 Prix Ganay and a last-gasp victory in the Gr.1 Coronation Cup, with his only defeat coming at the hands of Poet’s Word in the Gr.1 Prince of Wales’s Stakes, but many had speculated that the colt was not the same force as last year. Yesterday’s victory silenced the naysayers.

“It’s super to have him back,” said Gosden. “Obviously, he likes to get his toe in. He’s by Frankel out of a Pivotal mare and, while Frankel won well on any ground, a Pivotal mare is a bit of a clue.

“I’m a great believer in putting a little semi blinker on and have had a lot of luck with it down the years, having picked up the trick in America and most horses race in blinkers there. I can tell you the great Secretariat and Northern Dancer raced in blinkers. I don’t have a prejudice against them. Sometimes you need to focus their minds.

“When Cracksman is in the zone, he is a very good horse. I would think it is quite likely he will go to stud, as he is a four-year-old turning five. He is Frankel’s best son and it is lovely to see him back with a bang.”

Bred at Oppenheimer’s Hascombe and Valiant Studs in Newmarket, Cracksman is out of the winning Pivotal mare Rhadegunda, who hails from the top family of the Gr.1 1,000 Guineas heroine On The House, a family nurtured to great success by Oppenheimer and his late father Sir Philip.

ROARING LION LANDS QEII ON FINAL UK START BEFORE STUD CAREER

The ground was wrong and the trip arguably too short, but Roaring Lion was all heart when landing a battling victory in the Gr.1 Queen Elizabeth II Stakes at Ascot yesterday, his final start in Britain before he retires to stand at Tweenhills Farm.

The son of Kitten’s Joy last contested yesterday’s one-mile trip back in May when fifth in the Gr.1 2,000 Guineas and since then he has recorded a hat-trick of top-level triumphs over 1m2f.

Immediately after the race it was announced that he would retire at the end of the season to take up stud duties at Tweenhills Farm, joining his fellow Qatar Racing-owned Lightning Spear (Pivotal), seventh in yesterday’s race, who will also stand there as previously announced.

In yesterday’s race, Roaring Lion was settled in mid-division by Oisin Murphy as Hey Gaman (New Approach) set the pace with the mighty filly Laurens (Siyouni) in close company and Century Dream (Cape Cross) in third. As Century Dream kicked for home with two furlongs to go, Murphy set down Roaring Lion for his run on the wide outside and the grey colt responded gamely to join the leaders. Inside the final furlong, he inched ahead of Century Dream, but I Can Fly (Fastnet Rock) powered through a gap on the far-side rail to challenge. The latter dug deep and showed every ounce of his class and grit to triumph by a neck, with Century Dream staying on for third, half a length behind the runner-up.

Qatar Racing’s colt, trained by John Gosden, was contesting his sixth Gr.1 of the season and can now boast a record of four wins as well as third place in the Gr.1 Derby, with the only blip coming when a close-up fifth in the Gr.1 2,000 Guineas.

Bred by RanJan Racing Inc and a graduate of Keeneland’s September Yearling Sale, Roaring Lion is the first foal out of a Gr.1-placed daughter of Street Sense, who is a half-sister to a pair of Gr.2 winners in the US.

Qatar Racing’s bloodstock and racing manager David Redvers is looking forward to welcoming Roaring Lion to Tweenhills, potentially after the horse makes a trip to the Breeders’ Cup next month.

“We’ve loved Roaring Lion since we first set eyes on him back in September 2016,” said Redvers. “I am a big fan of his sire Kitten’s Joy and Roaring Lion was easily the best-looking and best-moving colt we had seen by him. We couldn’t believe we got him for the price we did, as he just looked like exactly the type of horse we set our sights on. To see how it has all panned out has been an amazing journey.

“He should prove a very exciting prospect at stud. We can’t wait to get him settled in at Tweenhills and begin the process of finding him suitable pairings.”

SANDS OF MALI ALL CLASS IN CHAMPIONS SPRINT

Sands Of Mali (Panis) landed the first top-level success of his career when making all to win yesterday’s Gr.1 British Champions Sprint Stakes at Ascot.
The three-year-old, trained by Richard Fahey for the Cool Silk Partnership, proved himself a performer out of the top drawer last season when landing the Gr.2 Gimcrack Stakes at York and scored at the same level in the Sandy Lane Stakes at Haydock in May. Second by half a length to Eqtidaar (Invincible Spirit) in the Gr.1 Commonwealth Cup over course and distance at Royal Ascot, Sands Of Mali has been unplaced in three subsequent Gr.1 starts prior to yesterday.

Harry Angel (Dark Angel) played up a little at the start, but broke well to settle just behind Sands Of Mali as Paul Hanagan set the pace aboard the Richard Fahey-trained colt. Donjuan Triumphant (Dream Ahead) and Dream Of Dreams (Dream Ahead) also raced near the front, but when Hanagan asked Sands Of Mali to quicken again at the two furlong marker, Harry Angel who briefly looked to have his measure. However, Sands Of Mali dug deep and his margin of victory over Harry Angel was a length at the line. Donjuan Triumphant took third, a further length and a quarter behind Harry Angel.

Fahey told reporters: “It’s been very frustrating; he just got nailed at the Royal Meeting and things went pear-shaped after that. He’s always worked like a nice horse at home and today he’s proved that he is.

“I don’t know why he’s been beaten lately; maybe he just hurt himself a little bit on the quicker ground at Royal Ascot, and I felt he ran okay at Haydock last time out, but today was where we thought he should be.

“It’s great for the owners, Cool Silk [Partnership], and for Matt Coleman [bloodstock agent] who buys all their horses. He bought this one at the Ascot breeze-up sale and my man [agent] was standing nearby. Matt said ‘We want this horse, and if we get him he’s coming to you anyway,’ so it’s all worked out. It’s a good result for a small trainer up the north.”

Bred by Simon Urizzi and a €20,000 graduate of the Osarus September Yearling Sale, Sands Of Mali was purchased for £75,000 at the Tattersalls Ascot Breeze-Up Sale. A half-brother to the four-time sprint winner Kadrizzi (Hurricane Cat), he is out of the unraced Indian Rocket mare Kadiania, from a family of winners in France.
Winner Magical, who missed this year's Gr.1 Oaks after a setback, gained a well-deserved first Gr.1 victory at Ascot yesterday when winning the British Champion Fillies and Mares Stakes.

In doing so, she enabled Galileo to pass the record number of Gr.1 winners by his own sire Sadler's Wells, Magical now being the 74th winner at the highest level by the Coolmore super sire.

Always travelling well under Ryan Moore in fifth for much of the race, Aidan O'Brien's charge moved into a challenging position in the home straight as Lah Ti Dar (Dubawi) swept to the front with two furlongs to run. What looked like a winning run was quickly cut down by Magical as she powered past Lah Ti Dar to storm to victory by a length. Coronet (Dubawi) ran on late to take second, three quarters of a length ahead of Lah Ti Dar.

O'Brien commented: "We're really delighted with Magical. We were always going to take our time on her. She had a lovely position and relaxed lovely, so we couldn't have been happier.

"She ran well in the Arc and she was only just coming back to full fitness in that race. Wayne Lordan rode her there and he said there was no doubt that she does stay a mile and a half, as that was her first time over the trip.

"She would have to be 100 per cent if she went to America [for the Breeders’ Cup]. We'll see how she comes out of this and the lads, like they always do, will see how she is and then think about what race might suit her."

Winner of the Gr.2 Debutante Stakes at two and runner-up by a short head to her stablemate Happily (Galileo) in the Gr.1 Moyglare Stud Stakes last season, Magical won the Gr.2 Kilboy Estate Stakes in July, and was fourth behind Laurens (Siyouni) in the Gr.1 Matron Stakes last month, before coming up short behind Enable (Nathaniel) in the Gr.1 Prix de l'Arc de Triomphe.

Impeccably-bred, Magical is a full-sister to the multiple Gr.1 winner Rhododendron and the Gr.3 winner Flying The Flag, out of the triple Gr.1 winner Halfway To Heaven (Pivotal), from the outstanding family of Cassandra Go (Indian Ridge).

**STRADIVARIUS MASTERCLASS**

Stradivarius took his seasonal tally to a perfect five with a masterclass performance in the Gr.2 British Champions Long Distance Cup, the opening race at Ascot yesterday.

The son of Sea The Stars, trained by John Gosden, became the first winner of the Gr.1 Gold Cup at Royal Ascot in the last 50 years to remain undefeated in the same season, and yesterday's victory proved the crowning point of a season that has also seen him net the inaugural £1m Weatherbys Hamilton Stayers' Million with victories in the Gr.2 Yorkshire Cup, Gr.1 Gold Cup and Gr.1 Goodwood Cup.

Ryan Moore set a good pace aboard the Gr.1 Irish St Leger victor Flag Of Honour (Galileo), with his stablemate Sir Erec (Camelot) tracking in second, while Frankie Dettori restrained Stradivarius in third on the rail. The order did not change for more than half of the two-mile trip until Flag Of Honour kicked for home when rounding the final bend. However Dettori had his every move covered and urged Stradivarius through a gap on Flag Of Honour's inner. Stradivarius has proved his courage many times in the past but he surged through the narrow gap and quickened clear in style.

Thomas Hobson (Halling) hit top gear to launch a challenge inside the final two furlongs but Stradivarius had flown, and in spite of drifting slightly inside the final furlong, his margin of victory of a length and a half could have been more. Sir Erec ran a fine race to finish third, a length behind Thomas Hobson.

The winning trainer commented: “I said on Racing UK beforehand that the ground was one thing, but we are going to get put in the box from stall one and he'll have to be Houdini to get out of it - well he did.
“He saw that glimpse on the bend and he dived for it. Ryan [Moore, on Flag Of Honour] tried to shut it, but he was too late. It was a very clever ride. If he’d tried to come round, he would have been put back in that box. “He’s a great horse, a fabulous horse, who didn’t like that ground, but what a clever ride to take that one opportunity. We committed sooner than we wanted to on ground he didn’t like, but it was jockeyship at its highest level.”

Three years ago, Stradivarius was led out of the ring unsold during Book 1 of the Tattersalls October Yearling Sale when bidding stalled at 330,000gns, but his owner-breeder Bjorn Nielsen must rejoice in the quirk of fate that he has now seen his homebred, out of the Bering mare Private Life, win nine of his 14 starts and earn over £1.6m on the racecourse, in addition to his Stayers’ Million bonus.

LIFE’S A BEACH FOR CORAL IN GR.3 KILLAVULLAN

Coral Beach was far and away the most experienced runner in the field for yesterday’s Gr.3 Killavullan Stakes at Leopardstown, having raced 12 times previously, and she made it tell to land the spoils by a length.

The daughter of Zoffany took 11 starts to break her maiden, finally getting off the mark at Cork 11 days ago, but had shown good form in defeat prior to that win.

In yesterday’s 7f contest, she was waited with at the rear of the field before being called on for her effort at the halfway stage. She made steady progress into third with two furlongs to go, taking the lead inside the final furlong and staying on well to defeat Guaranteed (Teofilo), with Old Glory (Frankel) a head away in third.

Trained by Aidan O’Brien and bred by Joseph Hernon, Coral Beach is twice a graduate of Tattersalls, and holds an entry for the Gr.1 Irish 1,000 Guineas. She is the seventh Stakes winner of the year for her sire, conceived when his fee was still just €12,500. Out of the Tiger Hill mare Abbasharjah, she is a half-sister to the Gr.2-placed Amona (Aussie Rules), from a high-class German family.

FLAVIUS SCORES IN TRIGO

The lighty-raced Flavius (War Front) registered a smooth first Stakes success on his third start when winning yesterday’s Listed Trigo Stakes at Leopardstown.

Juddmonte’s homebred three-year-old colt moved into contention with two furlongs left to run in the 1m4f contest, and ran on well to hit the front with a furlong to go, scoring by half a length from Flight Risk (Teofilo), with the front pair four lengths clear of Success Days (Jeremy).

A winner at the same venue 12 months ago on his only start at two, Flavius returned to the races in late August, finishing runner-up by a short head at Tipperary. Trained by Dermot Weld, he is the first foal out Starformer (Dynaformer), Listed-placed in France and successful in a Gr.2 and three Gr.3s in the US.
EUROPEAN-BREDS DOMINATE COONGY CUP

The Irish-bred Mask Of Time (Holy Roman Emperor) and the British-bred Best Of Days (Azamour) dead-heated in the Gr.3 Coongy Cup, a 2000m handicap at Caulfield. The former headed into the straight in front but, having been extracted into space off the rail, Best Of Days went to the front 100m out. However, he was joined on the line by Mask Of Time, who forced the dead-heat. Third home was the Irish-bred Life Less Ordinary (Thewayyouare), a length and a half behind the winners.

Winner of the Listed Derby du Midi last May for Andre Fabre and then tried in Group company, Mask Of Time moved to Australia 12 months ago and this was his first win down under. Bred by Dayton Investments (Breeding) Limited, the Ciaron Maher and David Eustace-trained four-year-old is a half-brother to the French Listed-placed Mahari (Duke Of Marmalade), out of a winning Galileo half-sister to the Gr.1 1,000 Guineas heroine Miss France (Dansili).

For Best Of Days this was a second win in five Australian starts and first at Group level. Formerly trained by Hugo Palmer, for whom he landed the Gr.2 Royal Lodge Stakes, he was bred by Gerhard Schoeningh out of the High Chaparral mare Baisse, a Listed winner in Germany. She is a half-sister to the dual Gr.3 winner Azmeel (Azamour) and the dam of this year’s Gr.3 Weld Park Stakes runner-up Foxtrot Liv.

DREAM RESULT FOR SHUMOOKH

Dream Ahead’s daughter Shumookh, winner of the Gr.2 Golden Pendant at Rosehill last month, gained a second Gr.2 of her career...
when making all in the Tristarc Stakes over 1400m at Caulfield. Tim Clark sent the mare for home after turning into the straight and proved not for catching, winning by a length and three quarters. Invincibella (I Am Invincible) was second, half a length in front of Aloisia (Azamour).

Trained by Gai Waterhouse and Adrian Bott for owner-breeders Emirates Park, the four-year-old bay is a half-sister to the Gr.2 Magic Night Stakes runner-up Shahad (Fastnet Rock), out of the three-time Gr.1 scorer Shamekha (Secret Savings).

**XPRESSION SHINES IN BARNESWOOD FARM**

Showcasing’s smart daughter Xpression, winner of the Gr.2 Challenge Stakes at Trentham last December on just her second start, took Ashburton’s Gr.3 Barneswood Farm Stakes over 1400m yesterday. The three-year-old will now to be aimed at the Gr.1 New Zealand One Thousand Guineas next month.

Rounding into the home straight five wide, she travelled strongly and hit the front after passing the 200m marker, before going on to record a two-length victory. Second home was the colt Our Flying Ace (Darci Brahma), three quarters of a length in front of Fire Show (Showcasing).

Bred by Haunui Bloodstock Ltd and Whanakino L, the winner is the first foal out of the winning Xpress, a Don Eduardo half-sister to Showcasing’s Stakes-winning son Hardline.

**NORTH AMERICA**

**COLONIA IN COMMAND**

The French-bred Colonia gained a first Graded success at Keeneland on Friday in the Gr.3 Pin Oak Valley View Stakes over 1m4f.

Waited with patiently in third last behind an average pace, which was set by Cool Beans (Candy Ride), the winning daughter of Champs Elysees travelled well, but was stuck behind a wall of horses turning for home. Having weaved her way though the pack, she ran on strongly to head the leader near the line and scored by half a length from Get Explicit (Get Stormy), with a head back to Cool Beans.

A winner in five starts for Fabrice Chappet, she took the Hatoof Stakes at Arlington Park on her Stateside debut in August for Graham Motion. Fifth in the Gr.1 Del Mar Oaks, she was then third in the Gr.2 Sands Point Stakes at Belmont Park last month.

Entered for the Fasig-Tipton November Sale as Lot 175, the three-year-old filly was bred by Haras d’Etremham and Gestut Zur Kuste Ag, and is the sole runner out of the unraced Clara Luna, a Muhtathir half-sister to the Gr.2 Prix du Muguet scorer Don Boso.

**MASTER DINO WINS AGAIN AT AUTEUIL**

The feature race at Auteuil yesterday was the Gr.3 Prix Pierre de Lassus, which brought together, for the 13th time, the Guillaume Macaire-trained four-year-old hurdlers Master Dino (Doctor Dino) and Tunis (Esteja). The score was 8:4 to Tunis, but Master Dino had come out in front in their last two battles and made it three in a row when winning yesterday’s 3900m event by an impressive seven lengths. The Marc Rolland-trained filly Marline (Martaline), a Listed winner here last month, raced up with the pace and kept on well to split the pair, denying Tunis second place by a length.

Master Dino, who runs in the colours of a partnership headed by Simon Munir and Isaac Souede, now has a record of seven wins and eight placed from his 16 starts, with earnings of more than €550,000.
Bred by Gaec de la Seguegne and Jean-Michel Campos and an €11,000 graduate of the Osarus September Yearling Sale, he is the best of the three winners and first four foals out of Mind Master (Mizzzen Mast), whose dam is the five-times Gr.3-placed Nimble Mind (Lyphard). The latter is also the second dam of the dual US Gr.1 victor Marketing Mix (Medaglia D’OrO) and is a half-sister to Gr.1 winner Contredance (Dansig), Gr.2 winner Skimble (Lyphard; dam of dual Gr.1 winner and sire Skimming) and Gr.3 winner Shotiche (Northern Dancer), as well as to the dam of the Gr.1 1,000 Guineas winner Wince (Selkirk; dam of Gr.1 Yorkshire Oaks winner Quiff).

SAINT STROLLS HOME IN PRIX MONTGOMERY

The Gr.3 Prix Montgomery, a 4700m handicap chase, went the way of six-year-old Saint Xaver (Saint Des Saints), who was only scoring for the second time in 28 starts, but had been Listed-placed four times. He raced prominently, along with Cafertiti (Fairly Ransom) and Fauburg Rosetgrì (Sageburg), for much of the second half of the race, and asserted around the home turn, racing clear to beat Cafertiti by 15 lengths.

The winner, who runs in the colours of Mme Patrick Papot, was bred by Jean-Marc Godefroy and is the first foal out of the winning Poliglote mare Princesse Lucie. She in turn is the first foal produced by Une Sainte (Ungaro), who won both of her starts over jumps and has foaled three other winners. The winning third dam produced six winners, including the Gr.3-winning hurdler Dos Santos (Smadou), and the Listed-winning chaser Prince Tatane (Agent Bleu), and is the second dam of the Gr.1-placed chaser Sainte Turgeon (Turgeon).

STAKES VICTORY FOR NETWORK GELDING

The Listed handicap hurdle on the card, the Prix Prince d’Ecouen, was won by the Louisa Carberry-trained Celebre D’Allen (Network), formerly trained by David Pipe. The six-year-old went to the front in the closing stages of the 3900m contest and ran on well to score by two lengths from Kami Kaze (Martaline), who had led for much of the early part and rallied gamely.

Bred by Bruno Vagne and a £100,000 purchase from the 2016 Keeneland September Sale, the winner had been placed twice in bumpers in Britain before returning to France, where he won over hurdles at Angers last December and over fences at Dieppe in August.

He is the only foal produced by Revoltee (Grand Siegneur), who won three times on the Flat and is a half-sister to nine winners of a combined 42 races, although the Listed-placed cross-country chaser Imposant (Video Rock) was the only one to earn black type. The grandam, the placed Violeta (Rhapsodien), is a half-sister to seven winners, including the 15-time scorer Lineda (Poleax).

MEYSON COLT TOPS BOOK 4 AS YEARLING SALE IS A RECORD-BREAKER

After eight days of selling, the Tattersalls October Yearling Sale concluded yesterday with a low-key session comprising Book 4, writes Rob Davey. Moved this year from the end of the Autumn Horses in Training Sale to conclude the past two weeks of trading, the single-session sale was topped by a son of Mayson, sold for €10,000gns. Knocked down to Yvonne Kennedy, she was taking instructions on the phone and Lot 2064 was signed down to Howson and Houldsworth.

Bred by Johnny Weatherby’s Preston Lodge Stud, the son of the Listed Upavon Fillies’ Stakes fourth Epernay, a Tiger Hill half-sister to the Gr.3 winner Dordogne, was offered by Redgate Bloodstock, run by Damian Flynn and Emma Foley.

Flynn said: “He has been with us for around nine to ten weeks, that is how long we like to have them. He has done well and kept on improving throughout the process. We sold a Mayson here yesterday for 47,000gns [Lot 1661 – to Michael Dods] and I thought this colt would stand out at this sale.”

FIRST CONSIGNMENT SUCCESS FOR THURTLE

There was joy for Alice Thurtle as the young consignor sold a daughter of Camacho for 13,000gns. Offered as Lot 2043, the half-sister to a trio of winners, out of an Indian Ridge daughter of the Gr.1 Cheveley Park Stakes winner Dead Certain (Absalom), was bought by Rabbah Bloodstock, having been purchased for €3,000 by Dee/Davis Bloodstock at last year’s Goffs November Sale.

Thurtle [pictured left], whose day job is working for the Thoroughbred Breeders’ Association, said: “She has been an absolute legend throughout the process. The sire has had a cracking season and she was bought as a foal by Charlie Dee, who I went to college with [works alongside Luke Lillingston] and Paul Davies, who usually buys jump horses. I am absolutely delighted and it is my first time consigning.

“I trade under AMT Bloodstock and am based near Thetford. She has been taken for hand walks through the forest. I was hopeful she would sell well as she had been pulled out plenty of times up here by the ring.”

MACLEOD PICKS UP CITYSCAPE FILLY
Ted Voute offered a Millbank Bloodstock-bred daughter of Cityscape as Lot 2034 and she was bought for 15,000gns by Martyn John Macleod. His distinctive black and red check silks have been carried to victory by the likes of the Listed Wolferton Handicap winner Snoano.

The filly is the first foal out of the Mount Nelson mare Beautifulwildthing, who was campaigned by Macleod, and is a full-sister to the dual Turkish Listed scorer Iskra. She is also a half-sister to the dam of the useful Dinkum Diamond, twice a Listed winner.

BREATH COLT TO BREEZE
Sherbourne Lodge’s Yvonne Kennedy was active around the grounds and, as well as taking instructions for the top lot, she picked up a son of Bated Breath (Lot 2006) for her own Sherbourne Lodge for 12,000gns. Offered by Hever Stud Farm, the colt is out of the winning Mr Greeley mare Silence Decision, whose grandam is the three-time Gr.1 winner Sangue.

“He has been bought to breeze,” said Kennedy. “The sire has been lucky for us, we sold a lovely colt in Book 2 for 72,000gns [to Clive Cox].

“The past couple of weeks have been good to us, we can’t complain. In total we will have around 20 or so to breeze next spring.”

Indeed, Books 1 and 2 were good to Yvonne and husband Ger. They turned a 13,000gns Brazen Beau purchase into a 50,000gns Book 1 sale, while in Book 2, a 16,000gns Dandy Man colt was resold for 48,000gns. The aforementioned Bated Breath colt was picked up for 35,000gns as a foal.

OCTOBER SALE A TRIUMPH
At the conclusion of Book 4 of the 2018 Tattersalls October Yearling Sale, Tattersalls Chairman Edmond Mahony commented: “More than 160 million guineas has been spent at this year’s Tattersalls October Yearling Sale, which is not only unprecedented, but also a record sum for the seventh consecutive year. The figures are impressive, and the single most important contributory factor to this sequence is the professionalism and dedication of the consignors, who bring yearlings of outstanding quality to the sale every year.

“They bring the best yearlings from Britain, Ireland, France and further afield to the sale and year after year these yearlings go on to achieve great things on the racecourse. Books 1, 2 and 3 have all produced Gr.1 and Royal Ascot winners in 2018, purchased for as little as 10,000gns, and that is why buyers at all levels of the market and from all over the world hold the sale in such high esteem.

“There have been highlights and success stories at all levels of the market, from the 3.5 million guineas Book 1 headliner to the 135,000 guineas sale-topping pinhooking triumph in Book 3, but above all we should recognise and applaud the collective dedication and hard work of every individual who has contributed to a seventh consecutive record breaking Tattersalls October Yearling Sale.”

“He was well grown for a first foal and walked well,” Schneider said. “We have been underbidders about seven times for a Sea The Moon, here, in Ireland and in Britain, but at last we have one. We have an exciting day ahead tomorrow [today], as we have three runners in Group races, Quest The Moon, by Sea The Moon, in the Gran Premio del Jockey Club Italiano and Wai Key Star in the Baden-Wurttemberg Trophy. Like them, this chap will go to Sarah Steinberg.”

That price was matched officially by Lot 242, when Peter Franceschini was recorded as the purchaser for €40,000 of a filly by Areion consigned by Gestüt Römerhof as agent. She belongs to the famous Hof Ittlingen family of the Champion and useful sire Lando (Acatenango), the sire Lauro (Monsun), Love Academy (Medicean), etc., who all sit under the third dam. The filly’s dam Ledicea (Medicean) was no slouch herself, being placed in two Listed races, since when she has bred two winners. Manfred Ostermann of Hof Ittlingen was later revealed as the owner for whom Franceschini was acting.

Wilhelm “Kojak” Feldmann bought two colts by Tai Chi from Gestüt Hachtsee, for which he acts as racing manager, for different trainers yesterday and he was in action again in the same vein, paying €40,000 for Lot 389, Iwanow, on behalf of trainer Hank Grewe. He will be handling the second foal out of the dual winner Itulia (Tertullian), a half-sister to the Champion German Older Horse Ito (Adlerflug), winner of the Gr.1 Grosser Preis von Bayern and two Gr.2s. Their dam Iota (Tiger Hill) won the Gr.1 Preis der Diana and Gr.3 Schwarzkogel Rennen.

Agent Börje Olsson paid €19,000 for Lot 245, Match Way, a yearling colt by Thewayyouuare, consigned by Gestüt Römerhof as agent. He is a half-brother to a winner, the only other foal to date out of Matchday (Acclamation), a three-time winner who was twice fourth at Listed level. Olsson was acting for veteran Swiss owner Tony Bächler, who invented the snow cannons used at ski resorts and has had horses since the early 1960s. This colt is likely to be trained in France, though plans are still somewhat fluid.

The principle worry across Europe is the difficulty in attracting new owners, especially the young, but no one can accuse Holger Faust of the HFTB agency of not trying to do something about it and he is one of the most active in setting up syndicates, notably Darius Racing. He bought Lot 239, La La Land, a filly by Outstrip, for €38,000. Consigned by Gestüt Oherleweihof, which had charge of over 65 horses at the sale, she is out of La Caldera (Hernando), a winner twice at four and the dam of a two-year-old winner with her first foal. She is a full-sister to La Hermana, dam of a Gr.3 and two Listed winners, out of a half-sister to the dual German Champion and Champion sire Lomitas (Niniski).
“She is for a new syndicate and will go to Hank Grewe,” Faust revealed. Faust, incidentally, is registered as having paid €61,000 for Lot 222, Army Of One, a filly consigned by Gestüt Oehlerweihershof as agent, but both parties perfectly honestly declared it to have been bought back.

The best-bred filly in training for sale was three-year-old Anna Kalliosta (Kallisto) from Gestüt Röttgen, Lot 262. The stud had openly said that the reserve was €30,000, but, through the ring, she was bought back at that. A number of people went round afterwards to see if they could bargain, an obvious tactic generally revealed. Faust bought back at that. A number of people went round afterwards to see if they could bargain, an obvious tactic generally.

He has a useful outcross to all the fashionable sires from the best current family in Germany, as the filly’s dam Anna Thea is by Turfkönig out of a Star Appeal mare. Anna Thea was a useful race mare, the winner of a Gr.3 and two Listed races, and a fine producer. She is the dam of eight winners, including the Joint Champion German Two-Year-Old Aspectus (Spectrum), victor of the Gr.2 Union-Rennen and three Gr.3s, and the dam of the Listed winner Willie The Whiffer (Whipper), who was also placed in the Gr.1 Critérium de Saint-Cloud. It is the family of blue hen Anna Paola (Prince Ippi).

Röttgen also supplied the most obvious National Hunt candidate of the day. There was the usual posse of those seeking something that could jump and a number of them gathered to compete for Akteur, Lot 307, a yearling colt by Kallisto, an underrated stallion who stands at the stud. The colt has a good Flat pedigree, as he is a half-brother to four winners, one a winner over hurdles in Ireland, out of the Listed-placed Aramina (In The Wings), a half-sister to Aviso (Tertullian), who won the Gr.2 German 2,000 Guineas and later scored over hurdles. There is no shortage of further black type on the page, but it was the unraced two-year-old out of Aramina that convinced Jérémie Bosset acting on behalf of Guillaume Macaire to nod at the demand of €30,000 to see off a group of Irish hopefuls. Macaire bought what is now a two-year-old by Maxios at this sale last year. He has been showing enough at home to encourage plans to run on the level, but he then jumped hurdles so well the plot has been changed to a campaign over hurdles next spring.

A little twist came at the very end when a mare who was not even in the supplementary catalogue but was awarded Lot 428 came from Gestüt Oehlerweihershof and was signed for by Holger Faust for €20,000, the agent saying it was for an existing client and that the produce would race in Germany. That will be a colt or filly by Counterattack, who stands at Faust’s Gestüt Karlshof, and will be out of the mare Nessaya (Soldier Of Fortune), who won twice. Her dam Nouvelle Princesse (Bluebird) won three times and produced the dual Gr.3 winner Nordeney (Dai Jin) and the Stakes-winning hurdler Nestor (Silvano).

Of the 250 horses through the ring on the day, seven more made as much as €15,000, and a dozen or so €10,000 or more. A number of others would have made that and more had they not been bought back to qualify for auction races, but there is no getting away from many breeders producing horses at a considerable loss, not that it looked any better at the bottom of the pile in Newmarket.

That said, the clearance rate here nearly matched last year, despite a bigger catalogue, and the average crept up, which is not something that could be said of many sales at this level. The vendors have been realistic and horses have changed hands, with, it should be mentioned, the local team of auctioneers doing a good job in keeping a large catalogue moving along. The easy and in many ways correct thing to deduce is that many mares of this sort should not be covered, but it is not easy to see from where most involved in the business in Germany at present would find the money to reinvest to upgrade their stock. With about 850 foals produced in Germany this year, the overall numbers are not far above a critical level as it is, so a severe culling would be another blow to a beleaguered racing industry.

BBAG manager Klaus Eulenberger concluded: “We are pleased that the BBAG has been able to serve the industry and vendors in getting horses sold, with purchasers coming from over 20 countries and the average rising. Of course, it is a tough market, as it has been everywhere, but to maintain the clearance rate with a higher average is an achievement that reflects well on the vendors and the BBAG.”

Although the turf season does not finish until 10th November at Doncaster and Flat racing continues on all-weather tracks right to the last day of the year, the Championship awards for leading British trainer, jockey and apprentice jockey were handed out at Ascot yesterday.

Champion trainer for the third time is John Gosden, who has had three weekends in a row to remember, courtesy of Enable on 7th October in the Gr.1 Prix de l’Arc de Triomphe, the unbeaten Too Darn Hot six days later in the Gr.1 Dewhurst Stakes, and a Champions Day Group treble yesterday with Stradivarius, Roaring Lion and Cracksman.

With some £4.4m in prize money in Britain, Godolphin is the leading owner for the 13th time, having enjoyed Gr.1 success this year with Masar, Blue Point and Wild Illusion, part of a team of horses that have annexed 26 Gr.1 races around the world in 2018.

Cracksman (Frankel) repeated his victory of 12 months ago in this Gr.1 contest, triumphing by six lengths in dominating style.

He is a half-brother to the Gr.3 Solaris Stakes winner Fantastic Moon (Dalakhani), out of the Listed Prix Solitude winner Rhadegunda. The daughter of Pivotal is a half-sister to the dual Listed-placed Halla San (Halling) and they are out of the three-year-old scorer St Radegund (Green Desert). The third dam was the Gr.1-placed juvenile On The House (Be My Guest), who went on to gain Gr.1 honours the following season in the 1,000 Guineas and Sussex Stakes. During her stud career she produced the Listed (then) Sirenia Stakes winner Art Of War (Machiavellian) and the twice-placed Miss Penton (Primo Dominie; dam of the Gr.2 Royal Lodge Stakes winner Leo and the dual Italian Listed winner Balkenhof; grandam of the Champion Spanish Two-Year-Old Irish Field, winner of the Gr.2 Prix Robert Papin, who then raced in Hong Kong under the name of Prolific Champion).

Rhadegunda delivered a full-sister to the winner in April.

He is the first produce of the smart Street Sense mare Vionnet, who was third in the Gr.1 Rodeo Drive Stakes and also reached the frame in several Stakes races. The second dam, Cambiocorsa (Avenue Of Flags), won the Gr.3 Las Cienegas Handicap and the Avenue Of Flags Stakes, making all to defeat Harry Angel (Dark Angel).

**Coral Beach (Zoffany)** sprang an upset as she produced much the best effort of her career. After beginning with a promising run behind Fairyland (Kodiac), she only got off the mark at Cork earlier this month but she travelled notably well on her first try at Gr.3 level. She cruised into a share of the lead with a furlong to run and then kept on well to see off Guaranteed (Teofilo).  
Coral Beach is the second winner out of Abbasharjah (Tiger Hill) who is also the dam of the Gr.1 Henkel Preis der Diana third and Gr.2 runner-up Amona (Aussie Rules). Abbasharjah is an full-sister to the Gr.3 Hessen Meile heroine Abbashiva whose other wins took in another Gr.3 prize in Germany. The second dam is the dual scorer Abba (Goofalik) and her three winning offspring also include the smart Abbadjinn whose two Gr.3 victories took in the Gr.3 Silberne Peitsche while he also finished second in the Gr.2 Goldene Peitsche. Abba is a full-sister to the Gr.2 winner and Gr.1 Deutschles Derby second Acambaro (sire). They are out of the dual Listed-placed Astica (Surumu) who is also the dam of the Gr.3 Schwarzgold Rennnen heroine Addicted (Diktat; dam of Japanese Gr.2 winner Kluger), the Listed-winning Artica (Pentire; dam of the Gr.3 Silberne Peitsche Artistica) and the dam of the Gr.2 Gerling Preis winner All Spirit (Platini).

This was a second Gr.1 win for Saeed bin Suroor and Pat Cosgrave in the space of two weeks following the win of Benbatl, thanks to a terrific ride from the rider. From a wide draw, he bided his time to get across, then when he realised the pace was extremely slow went from 14-second fractions down to 11.6-second splits 600m from home to change the race. **Best Solution** was pressed hard by Homesman, who appeared to edge in front in a driving finish, but at the line it was Best Solution in front to give bin Suroor his second win in Australia’s second biggest handicap following **All The Good** in 2008.

Although not a Godolphin-retained rider, Cosgrave has now ridden Best Solution 12 times for seven wins. It was not all glory for the jockey, as he incurred an 11-meeting suspension for

causing interference to the Japanese runner Chestnut Coat near the 1800m mark and, because he wants to ride in Dubai in a fortnight, elected to take the penalty immediately and not ask for a deferment.

This was the third consecutive Gr.1 win for Best Solution, the best runner to date for Kodiac, a three-quarters-brother to Invincible Spirit.

The winner is the second foal of Al Andalya (Kingmambo), a half-sister to German Listed winner Kosmische (Fastnet Rock) and the Gr.2 Prix Hocquart runner-up Cape Clear Island (Fastnet Rock). The grandam Kushnarenkofo (Sadler’s Wells) finished runner-up in the Gr.3 Noblesse Stakes and is a sister to the Gr.1 St Leger winner Brian Boru, the Listed Park Express Stakes winner Kitty O’Shea and to Soviet Moon, the unraced dam of Gr.1 Derby and Gr.1 Prix de l’Arc de Triomphe winner Workforce (King’s Best), and is a three-quarters-sister to the Gr.2 Hardwicke Stakes winner Sea Moon (Beat Hollow) and a half-sister to the Gr.2 Prix de Royallieu winner Moon Search (Rainbow Quest). A descendant of Pretty Polly (Gallinule), Best Solution’s third dam is the Gr.3 Park Hill Stakes winner Eva Luna (Alleged) and his seventh dam Lady Sybil (Nearco) won the 1942 Cheveley Park Stakes.

Al Andalya has a yearling filly by Gutaifan.

Successful in France for Fabrice Chappet, Colonia (Champs Elysees) landed the Listed Hatoof Stakes at Belmont on her Stateside debut in July for Graham Motion, and recorded her first Graded success here.
She is the first foal out of the unraced Muhtathir mare Clara Luna, a half-sister to Don Bosco (Barathea), a high-class performer over 1m-1m2f, striking three times at Group level including the Gr.2 Prix du Muquet, as well as Vodka Blue (Russian Blue), a dual Listed winner over 1m1½f, and Orcus (Russian Blue), Listed-placed on the Flat at two and over hurdles at four. They are out of the unraced Monsun mare Perfidie, a half-sister to the Listed winner Pampa Negra (Barathea), out of a Listed-placed half-sister to the Gr.1 Irish Oaks runner-up Bourbon Girl (Ile De Bourbon), and the useful Sleet Skier (Ninski), from the top-class family that has produced such stars as Enable (Nathanial) and the five-time Gr.1 winner Flintshire (Dansili).

Claire Luna has a yearling colt by Lethal Force and produced a colt by Kendargent this year.
Colonia is catalogued as Lot 175 at the Fasig-Tipton November Sale next month.

1. LIGHTNING AMBER (Ire), 2f,
   Dutch Art – Amber Romance (Bahamian Bounty)
   O/B: Moyglare Stud Farm, T: D Weld
   Distances: nk, ¾l. 20 ran.

Lightning Amber (Dutch Art) was unplaced at Gr.3 level last time but she had previously run some good races in decent maidens and she turned in a nice effort to hold Heliac (Champs Elysees). She is the second produce of the winning Bahamian Bounty mare Amber Romance. The latter numbers the Gr.1 Prince of Wales’s Stakes hero Free Eagle (High Chaparral; sire), the Gr.2 British Champions Fillies & Mares Stakes and dual Gr.3 scorer Sapphire (Medicane), the Gr.2 Sandown Mile, the Gr.2 Joel Stakes and Gr.2 Boomerang Stakes hero Custom Cut (Notnowcato) and the promising Gr.3 Loughbrowne Stakes third Falcon Eight (Galileo) amongst her siblings. They are out of the winning juvenile Polished Gem (Danehill) who is a full-sister to the Gr.1 Matriarch Stakes heroine Dress To Thrill (grandam of the Gr.2 Santa Ana Stakes runner-up Glory). The third dam is the Gr.1 Irish 1000 Guineas winner Trusted Partner (Affirmed) and her other progeny include the Listed-placed Act Of Defiance (Caerlelon) while she is the grandam of the Gr.3-placed juvenile Aahaykid (Intikhab). Trusted Partner’s grandchildren also include the dam of the Gr.3 Sirenia Stakes scorer Love Lockdown (Verglas), the dam of the Gr.1 Critérium international hero Vert De Grece (Verglas) and the dam of the Listed scorer Table Rock (Fastnet Rock). Meanwhile Trusted Partner is a full-sister to the American Gr.3 winner Low Key Affair, the Listed scorer Epicure’s Garden (dam of the Gr.2 Blandford Stakes and Gr.2 Orchard Handicap winner Lisieux Rose and grandam of the German Listed winner Burrun Rose) and the Gr.2 Premio Legnano winner Easy To Copy. The last-named is the dam of the triple Gr.3 scorer Two-Twenty-Two (Fairy King; sire) and the Listed-winning pair of Desert Ease (Green Desert) and Easy Definition (Alzao). In addition, Easy To Copy is the grandam of the Listed Platinum Stakes heroine Hen Night (Danehill Dancer), the North American Gr.2 scorer Amiras Prince (Teofilo) and the Gr.2 Beaumont Stakes winner Dixieland Gold (Dixieland Band).

2.05 LEOPARDSTOWN, EBF 2YO C&G MAIDEN, 1M

1. RAKAN (GB), 2c,
   Sea The Stars – Tarfasha (Teofilo)
   O: Hamdan Al Maktoum, B: Shadwell Estate Co. Ltd,
   T: D Weld
   Distances: 2¾l, 1½l. ran.

Rakan (Sea The Stars) progressed from a very nice debut third at Naas earlier this month to win well from Mr Secretary (Sea The Stars) and he looks a lovely middle distance prospect for next season. His trainer reported that he could begin 2019 in the Gr.3 Derrinstown Derby Trial.

He is the first foal out of the high class Tarfasha (Teofilo) who won the Gr.2 Blandford Stakes and the Gr.3 Blue Wind Stakes in addition to finishing second in the Gr.1 Oaks. Tarfasha’s siblings are headed by the ill-fated Galileo Rock (Galileo) who was second in the Gr.1 Irish Derby in addition to taking third in the Gr.1 Derby and the Gr.1 St Leger. This pair are also closely related to the top class stayer Saddler’s Rock (Sadler’s Wells) who won the Gr.2 Goodwood Cup and the Gr.2 Doncaster Cup as well as reaching the frame in the Gr.1 Ascot Gold Cup. The second dam is the unraced Grecian Bride (Groom Dancer) who is also the dam of the triple Listed scorer Allexina and the Gr.3 Noblelles Stakes runner-up Athenian Way (both by Barathea). Grecian Bride is a full-sister to the Listed-winning Athens Belle and they are out of the Listed Prix des Tourelles scorer Greektown (Ela-Mana-Mou). Greektown is also the dam of the Gr.1 Grand Prix de Saint-Cloud.
New Bay’s strength in depth

By Adam Potts

In the second part of our series assessing Dubawi’s sire at stud, we dive into New Bay, who this year stood his second season at Ballyshean Stud for a fee of £10,000.

Erasing a peak Three Furlong assessment rating of 146 when in the hands of Andre Fabre, he beat grade-one winner Highland Reel when winning the 2015 Prix du Jockey Club after racing on unlucky runners-up to follow his previous season winner Balouge in the Prix Jean-Luc Lagardere. Then prominent for his Arc after his Classic win, New Bay won a Group 2 before winning at Longchamp secondfavoured to the mighty Tiviso. He produced a galloping effort when finishing just over two lengths behind Stladen Mean, and still managed to beat his best-class rivals in the process, which included Tronois, Free Eagle and subsequent Arc winner Found.

New Bay delivers the multiple Group 1 winner Highland Reel in the Group 1 Prix du Jockey Club.

Among the best of his sire group, he was notably versatile too, showing form at the top level twice eight times to threaten his full siblings. He was able to cope with various ground conditions, winning the Prix Mme de Gramont with ease while running his best performance on soft ground when third in the Prix du Fiacre de Toscane on ground as good to firm. 

Kast in training for four-year-olds, he didn’t reach the heights of his predecessors on crop, not winning a Group 1 as a colt, and his season towards a win in the Arc (not at Chantilly) was all too brief. He didn’t go to plan when being beaten by the much-maligned and relatively unranked France.

Not only is his Dubawi sire (despite being by Darayi) too, but he also comes from a brilliant Juddmonte female family. New Bay is a third dam, the Langford Dove. That unmatthew Bhafoam, who left a legacy at stud by producing Irish Oaks winner Venetian Flag, stars of Breeders’ Cup. She also produced Countess, dam of stayon sprinters Preakness and Eclipse Park, along with Inergy.

60,000gns Tattersalls December Foal Sale, by John Ferguson Bloodstock, consigned by Castlefarm Stud

1. NOM DE PLUME (Ire), 2c

Shamardal – Tickled Pink (Invincible Spirit)
O/B: Trevor C Stewart, T: H-F Devin
Distances: ¾l, 1l, 4 ran.

This was a cosy win on his third start for the well-bred Nom De Plume (Shamardal), a half-brother to the recent three-year-old novice winner Erad (Dark Angel). They are the first two foals out of the dual Gr.3-winning sprinter Tickled Pink (Invincible Spirit),
a full-sister to last month’s Gr.3-placed juvenile Fantasy and a half-sister to six other winners. These include the triple Gr.1 victrix Halfway To Heaven (Pivotal; dam of triple Gr.1 winner Rhododendron; yesterday’s Gr.1 winner Magical and Gr.3 winner Flying The Flag). Gr.3 winner Theann (Rock Of Gibraltar; dam of dual US Gr.1 victrix Photo Call and August’s Gr.2 Richmond Stakes winner Land Force) and to the dam of German Listed scorer Best Regards (Tamayuz). The second dam is the triple Group-winning sprinter Cassandra Go (Indian Ridge) and the third dam is Secreto’s winning daughter Rahaam. The latter is responsible for Photo Call winner dual US Gr.1 victrix Regards winner and August’s Gr.2 Richmond Stakes winner Dalika.

Sixth on debut at Cologne at the beginning of the month, Dalika (Pastorius) broke her maiden in style here, winning by four and a half lengths from Reine Des Fleurs (Soldier Hollow). She is a half-sister to Distant Dawn (Maxios), successful over 2500m in France this year. Their dam, Drawn To Run (Hurricane Run), was herself successful over 2150m in Germany and she is a half-sister to the Gr.3-placed winner Dawn Dew (Montjeu). The second dam, Dawn Dane (Danehill), is a half-sister to the Gr.1 Prix Ganay victor Corre Caminos (Montjeu), Gr.1 Criterium de Saint-Cloud winner Recital (Montjeu) - also a Gr.2 winner over 2000m at three - the high-class miler and sire Racinger (Spectrum) and the Listed-placed Abys (Montjeu). The third dam, Dibenoise (Kendor), was unraced and is a half-sister to the Gr.3-placed sire River Of Light (Irish River).

Drawn To Run has a yearling filly by Maxios, purchased for €3,500 at the BBAG September Yearling Sale last month, and a foal full-sister to the winner.
